Total investment
= **\$51m**

Contractor labour hours
= **83,000**

Maintenance jobs completed
= **1571**

Local businesses involved
= **50+**

- \$15m investment
- A key focus of the Maryvale Shut
- After 40 years of service M4 is being rebuilt

- M4 is the largest paper machine at Maryvale, producing 225,000 tonnes per annum of high quality kraft linerboard for Australia's booming packaging market

- The M4 rebuild will ensure improved product quality, output and production efficiency for our largest paper machine
